

## Lesson Plan for June 29, 2020

### **Class Description**

The class is five students within an Advanced Oral Communication course. They are primarily from China as well as Japan. They are studying this course in order to access university academic programming.

### **Terminal Objective**

*Students will be able to...* discuss the role of sports in culture and cultural relations as well as cultural differences in food to improve their discussion and debate skills.

### **Enabling Objectives**

Students will think critically about hockey as a part of Canadian culture.  
Students will debate the effect of sports on cultural pride and tolerance.  
Students will describe their preferences in food.  
Students will discuss how food relates to culture, and how it impacts their opinions regarding cultures not their own.

### **Materials & Equipment**

PowerPoint presentation

"All Ice is Home Ice": <https://youtu.be/f8gzXBpyWGM>
